

Get to know your friendly B/ASP Site Coordinators!

[Jerilyn Paige](#)

Site Coordinator

Jerilyn has spent the better part of the last 20 years working for the School District and taking care of it's students, both during the day in the cafeteria and also before and after school at the BSP & ASP. She loves kids so much that she even runs Camp Maple Leaf in the summertime. She will be at Wire Village again this year.

[Trevor Spence](#)

Site Coordinator

Trevor is a graduate of DPHS and is currently working towards a degree in Elementary Education at Worcester State University. He has been working the B/ASP for several years at both the East Brookfield and Wire Village sites and will be doing so again this year.

[Megaen Cloutier](#)

Site Coordinator

Megaen comes to us from the Tantasqua District. She switched her education/career path last year because of her time with the B/ASP and her love of working with children. She is currently working towards a degree in Elementary Education at Worcester State University. She will be at both East Brookfield and Wire Village again this year.
