

Dear Parents or Guardians,

Listed below are the immunizations required by the state for all children to enter into kindergarten.

DTAP (Five are required)

POLIO (Four are required)

MMR (Two are required)

HEPATITIS B (Three are required)

HEPATITIS A (Two are recommended)

VARICELLA (CHICKEN POX) (Two are required)

LEAD LEVEL

PHYSICAL (Most Recent)

VISION EXAM (Now required by the state for kindergarten entrance).

Please be advised that the items above must be completed and verification sent to school **before** your child enters kindergarten in the fall. Failure to do so will result in exclusion from school until completed. The Massachusetts Department of Public Health mandates these requirements, prior to school entry.

Please call with any questions to Wire Village School at 508-885-8524 between the hours of 8:00am to 3:00pm.

Thank you,

Sheree Jolicoeur, RN, BSN, MS, CHES
